

QuarkXPress 6.1

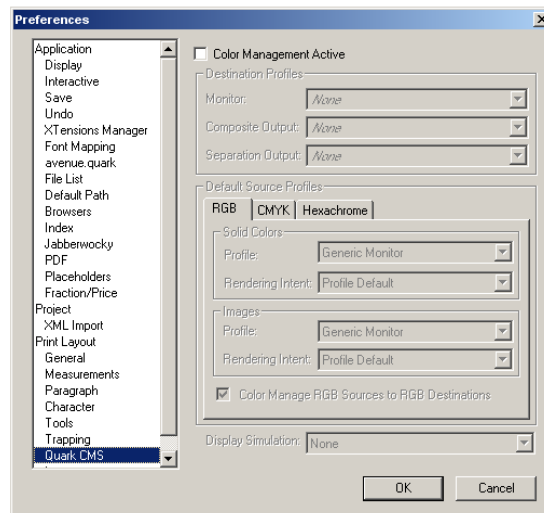

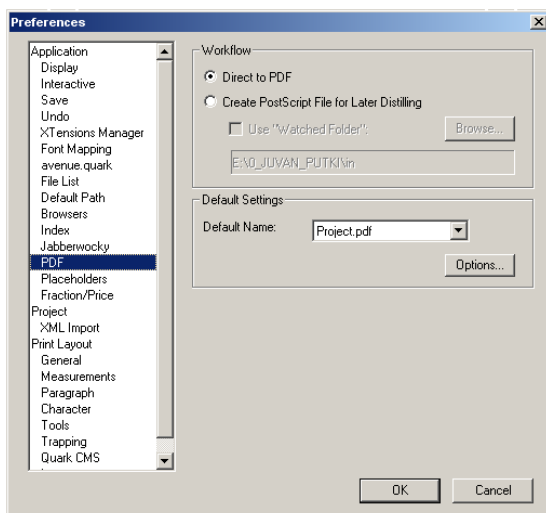

Recommendation:

For easier further file processing, we recommend that the number of pages in a file does not exceed one hundred pages, or fifty pages in multiform work. Name the file by its work reference number (or ISBN_number) and page number gap, e.g. 654321_001_050.

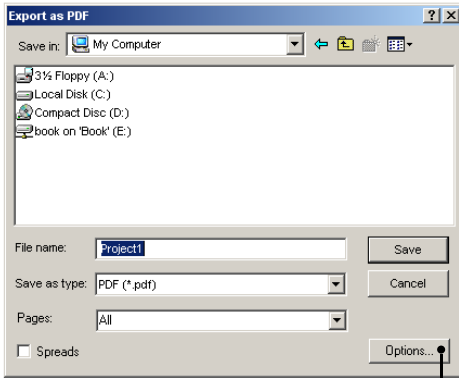

Creating PDF:s

Preferences:

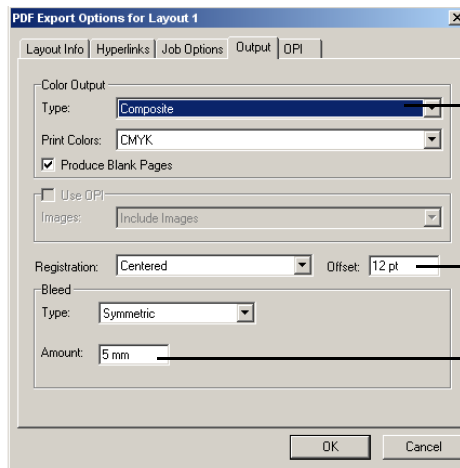

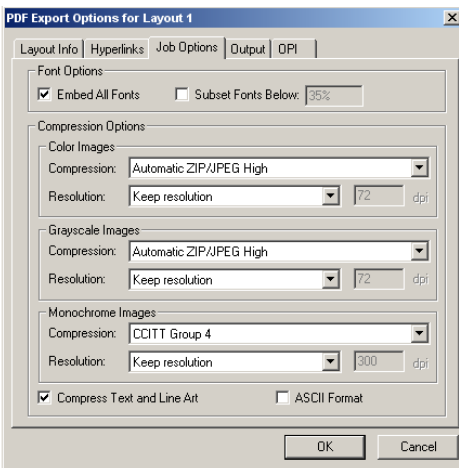

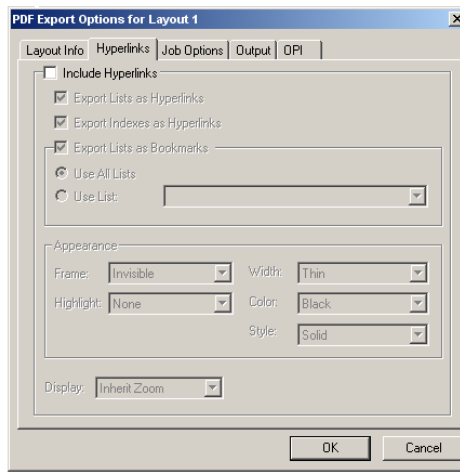

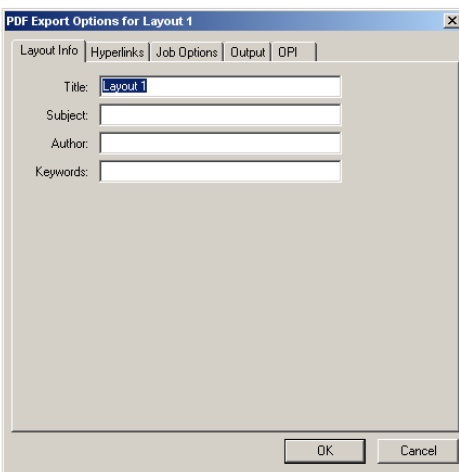

Make sure that QuarkXPress preferences “**PDF**” and “**Quark CMS**” are as in images below.

-> File -> Export -> Layout as PDF

PDF Export Options as in images below

In single-color jobs
"Grayscale"

In the cover of the book
"Offset" 30pt

In the cover of the book
"Amount" 30pt
