

Illustrator CS2 - CS3

Recommendation:

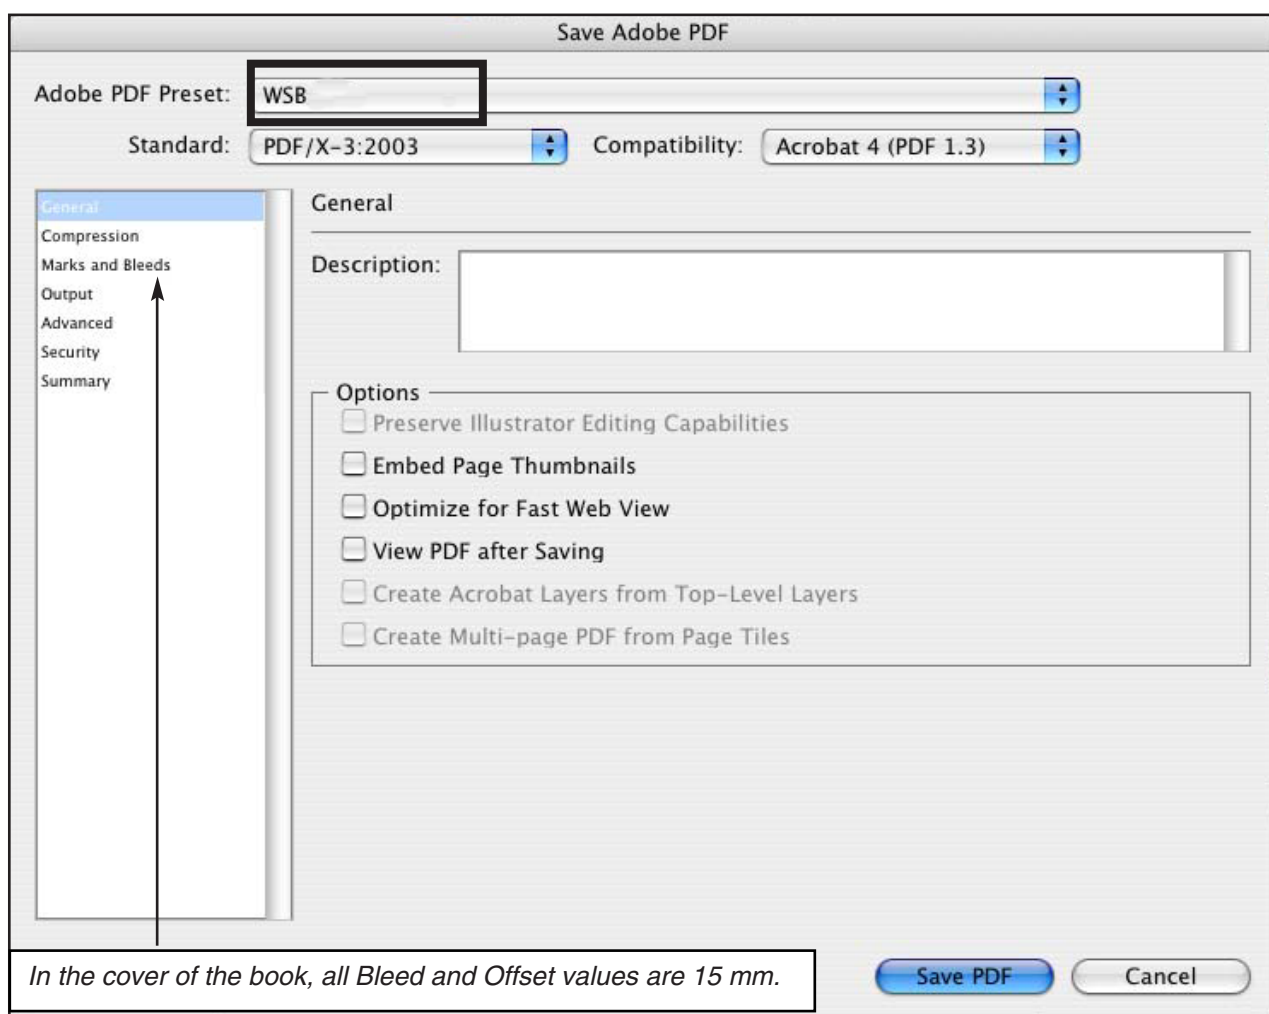

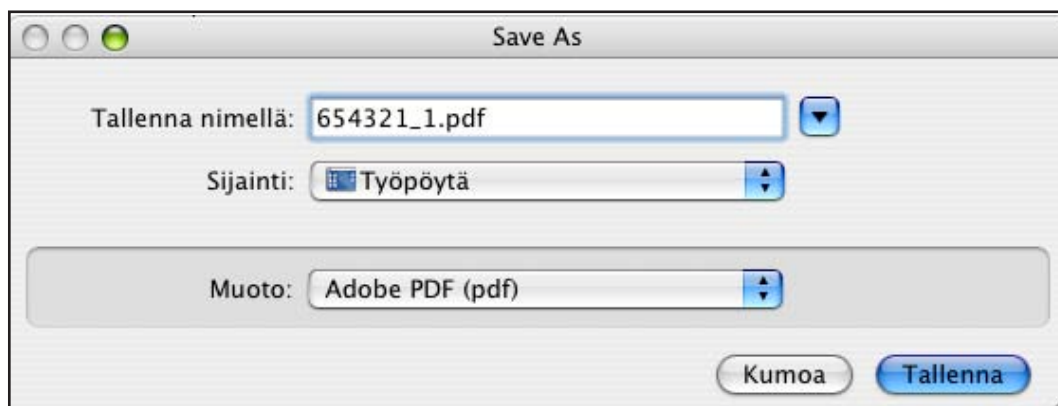

For easier further file processing, we recommend that the number of pages in a file does not exceed one hundred pages, or fifty pages in multiform work. Name the file by its work reference number (or ISBN_number) and page number gap, e.g.
654321_001_032

The completed **WSB.joboptions** PDF Export Preset is installed as follows:

Edit / Adobe PDF Presets / Import

Mac OS X / Windows

Choose: File / Save As....
